The conference / PC training rooms in Bremen can be rented for your own events, presentations and trainings with customized catering and technical services on a daily basis.

Seminar Room Equipment:

Modern computers / notebooks, strong light projector, whiteboard, flipchart, blackout curtains, laser printer, high-speed Internet access with a static IP address. Your own software can be installed on our systems.

Number of IT-Trainingrooms:

7 rooms with 2 to 16 workstations.

Number of Theory Rooms:

2 rooms with up to 14 workplaces

Specials:

Prometric Test Center, Notebooks for Inhouse-Trainings, 100 free parking spaces

Location:

Bremen-Hastedt

Parking:

Free parking is available directly at the house.

Catering:

As a standard, we offer hot and cold drinks, biscuits and fruit, optionally with a warm lunch. Upon request we provide additional snacks, like delicious, crusty rolls with a variety of different toppings.

Costs

In principle, the rental may take place over several days, weeks or months and on weekends at special rates. The rental prices vary by location, room size, technical equipment, seminar hours, the time and duration of rental. We will send you a customized offer.

CUSTOMIZED SOFTWAREINSTALLATIONS

The conference rooms are equipped fitting to your needs. Custom software installations and software configurations will be charged € 65.00 to 120.00 € per hour (60 minutes).

However, the software installation can also be done for free by the customer

- The car park is 20 meters on the left side.
- The numerical code at the barrier is: 4494 F

Rent a Conference Room Nationwide

Take advantage of our complete and modern Conference and PC training rooms with or without PC technology for your events, presentations and trainings with customized catering and technical service.

Our rooms are individually available for a few hours, days or several weeks - depending on your needs. We would also be happy to assist you in the search for a hotel.

By default, the PCs or notebooks are equipped with a Windows operating system, Microsoft Office, Browser and Acrobat Reader.

You will find additional flipcharts, whiteboards and projectors in the seminar rooms. A quick Internet access is also available. Your own software can be installed on our systems in advance.

Central organization and full service

Nationwide and centrally we organize for you IT seminars and room rentals, so you have only one contact and the full service from a single source.
